President's Report

Summer started off slowly, with some lovely spring- or fall-like weather, but the weather changed just in time for the June picnic—becoming truly summerlike.

Not to sound like a broken record, but we are still looking for volunteers to take over the kitchen. If you think you might be interested please contact me and we can discuss the responsibilities.

I want to thank the membership for coming to the May meeting and approving the new operating budget for next year. Dan Connell and Jim Austin worked overtime to pull it all together. Many thanks to them for their hard work.

For families that plan to use the club during the summer, you need to notify the host for that weekend. You should also check with the Lodge Chair to see if there is a large group that weekend. If there is, send the family hosting the large group your reservation form because they will act as host. If there is no large group, remember that you still need to fill out a reservation form, sign it, and mail it to the Treasurer. If you bring a guest up, you need to pay the guest fees. Refer to the Helpful Hints on page 7 of the Lodge Packet for additional information.

I hope everyone has an enjoyable summer.

Inactive Memberships -

If you have good cause to be inactive for the next season, you must apply to the Executive Board for inactive membership status, which may be granted for one year. If you are currently an inactive member and need to remain inactive, you must apply to the Executive Board for a one-year extension. Your application for inactive membership or an extension must be in writing and emailed to Jeff Moore or the Eboard. Your application must be received by September 15, 2016.

If you are currently an inactive member and will be reactivating your membership for this upcoming ski season, please let me know via email before August 15, 2016. Remember that you are required to complete a work weekend before November 2016.

Have a great summer!

Treasurer's Report

If you visit the club in the summer, even if you have no guests, you must submit a reservation form. If we are audited, we need to show that the majority of reservations are from club members. Also, please sign your forms and scan and e-mail them or mail them to me.
